Office of the Secretary
Federal Communications Commission
445 Twelfth Street, SW
Washington, D.C. 20554

Ref: MM Docket No. 99-25

Dear Sir:

Please accept this letter as our request to oppose the approval of Low Power FM. With the airways saturated already, additional low power FM's could create interference to the degree that none of us would sound professional.

Please consider voting no in this proposal.

Thanking you in advantage.

Sincerely,

Gayle Ledbetter
General Manager
